Wednesday 3rd April  P & C Meeting – 7pm

Week 11

Friday 12th April  Assembly – 9.30am
                  Last day of school

Live Life Well at School

How much water do children need?
The amount of fluid that children need varies between individual children. The older the child, the more fluid they need. Children should drink approximately 1–1½ litres of fluid a day. Children will need more when they are physically active and on hot and humid days. Water is the best drink – for both children and adults – in all situations.

P & C News

Canteen
Sharyn Boldrini is this year’s canteen coordinator and is looking for parent volunteers to help run the canteen each month.

Ideally, it works best when there are two parents working in the canteen.

If each family volunteered just once during the year, this would cover each month until the end of the year.

If you are able to help out, please fill in the form attached and return it to school by next Wednesday 10th April.

Term Contributions
The P &C would like each family to pay a voluntary contribution of $10.00 per family per term.

This goes towards purchasing prizes for raffles, which in turn, raises money for our school. If you are unable to help with working bees, and other P&C/school functions, this can be your way of helping raise money for our children.

You can send your contribution in to the office.

Cookbook
Please remember to send in your recipes for the Mother’s Day Cookbook.
We would like each family to contribute recipes and your family name will be acknowledged beside each recipe.

You may have a friend or family member who would also like to contribute their favourite recipes.

Your recipes can be savoury, sweet, main meal or snack.

All recipes need to be into school no later than the last day of this term, Friday 12th April.

Community News
