Schools Clean Up Day

Tomorrow, our school will be joining over 2,500 schools across Australia working to remove rubbish from our precious environment.

The children will be given gloves and will be picking up rubbish they find around the school grounds.

We will also be planting new vegetable seedlings in our vegetable garden.

ICAS Exams

ICAS is the largest independent competition and assessment program for schools in Australia. It is also delivered to over 20 countries in Asia, Africa, Europe, Pacific and the USA. Educational Assessment Australia (EAA) is part of UNSW Global, a not-for-profit provider of education, training and consulting services and a wholly owned enterprise of NSW, Sydney.

Your child can enter in the following subjects:

- Computer Skills – Years 3 – 6
- Science – Years 2 – 6
- Writing – Years 3 – 6
- Spelling – Years 3 – 6
- English – Years 2 – 6
- Mathematics – Years 2 – 6

The school is going to participate in this event with the children performing in a play and also singing.

We need to know which children will be attending so that we can organise our actors.

Can you please fill in the attached Expression of Interest indicating whether your child can or cannot participate in this event. Can this be returned no later than next Wednesday, 5th March.

This year, the festival is being held at Anderson Park and will commence at 10am and will conclude that evening.

Our school performance will be on about midday.

As the event nears, we will send home more information.

Lambing Flat Chinese Festival

This year, the Lambing Flat Chinese Festival is being held on Saturday, 12th April – which is the first Saturday of the holidays. We realise that some of you have probably already made plans for that day.
If you would like your child to participate in this competition, please fill out the form attached and return to school, with the money enclosed, no later than Friday 5th April.

Live Life Well at School

Teach your child to cook

- Preparing food with your children is a great way to teach them good nutrition, PLUS they will enjoy eating what they helped prepare.
- Try assigning a ‘kids night’ to older kids where they are in charge of menu planning, cooking and clean up.
- Involve your child at the supermarket by giving them a list of foods to find. Add a few unusual foods to the list each time (for example, avocado or kale).

P & C News

Cake Stall

Thank you to everybody who were either able to bake goodies or help out on the stall at the Young Duck Day last Sunday.

At this stage we do not have a final figure as we are waiting on some outstanding money to come in.

Blue Light Disco

The Young PCYC in Lachlan Street is holding a Blue Light Disco.

When: Friday 7th March
Time: 6pm to 8pm
Ages: 5 – 12 years
Cost: $5-00 including a sausage sandwich

There will be dance competitions and a lucky door prize.

All Blue Light events are drug and alcohol free and are supervised by Police Officers.

P & C Meeting

Just a quick reminder that our next P & C Meeting is to be held next Wednesday, 5th March, in the back room at the Mill Court Tavern in Young at 7pm.

Everybody is most welcome to come along.

Term Contributions

The P & C would like each family to pay a voluntary contribution of $10-00 per family per term. This goes towards purchasing prizes for raffles, which in turn, raises money for our school.

If you are unable to help with working bees, and other P&C/school functions, this can be your way of helping raise money for our children.

You can send your contribution in to the office.
