Cowra Eisteddfod

Last Friday, the whole school travelled to Cowra to compete in the Eisteddfod. We entered into the choir section and sang two songs – Georgie Girl & 100 Years From Now.

Congratulations to all of our students for singing so beautifully. Out of the six schools entered in our section, we came third.

Everybody put in their best effort and had a lot of fun.

Car Rally

Last Thursday afternoon, we had a car rally visit the school. The group is from Orange and they travel around to different towns raising money for cancer.

They kindly gave all of the students showbags and then listened to them sing their songs they were singing in the Eisteddfod. They also sang a song for the children and invited them to join in.

Our visitors were very impressed with the children’s singing and the children loved having an audience to perform to.

Live Life Well at School
How much water do children need?
The amount of fluid that children need varies between individual children. The older the child, the more fluid they need. Children should drink approximately 1–1 ½ litres of fluid a day. Children will need more when they are physically active and on hot and humid days. Water is the best drink – for both children and adults – in all situations.
